

Would you like to be a Royal Life Saving Society volunteer?

**Join us. We know you can play a part ...
we need passionate people – instructors and advocates for water safety and awareness**

Play your part in NZ water safety education!

Royal Life Saving Society of New Zealand (RLSSNZ) is a nationwide organisation with a vision to educate every New Zealander to be safe in, on and around water. Our mission is to prevent drowning in our communities.

No matter what your place in society is - a mum, dad, grandparent, carer, teacher, pool staff, student, nanny, policeman etc - you can be involved with life saving. We would like to work with you to see how we can get you involved in your region.

**Email this form back to us and we will be in touch with you soon.
(If you are already involved with RLSS, please send us updated details using this form).**
